NAVEEN JAIN - PROPRIETOR

We, Naitik Home Appliances from the very first day of inception into the business is committed to provide the best quality products to our clients. We always believe in enhancing our quality standards, introducing new range with more advance technology and sharp features. In all these years, the overwhelming support from all of our selected professionals, our dealers all across India, Nepal & others have given us self believe and strength to excel more in this field.

So, we hope that we will keep working hard to keep pace with current market demands and advancements in our cooktop range.

*"If i have the belief that i can do it,
I shall surely acquire the capacity to do it, even
i may not have it at the beginning."*
